

**Morel
(Morchella Esculentia)**

DESCRIPTION / FLAVOR: Morel mushrooms have short, thick, hollow stems, topped with sponge-like pointed caps, resembling honeycombs. Morels may be tan, yellow or black in color and produce a rich, nut-like flavor and woody fragrance.

PACK SIZES: Morels are available in 3-pound containers.

SHELF LIFE: Morels last 10-14 days. Keep refrigerated in paper bags.
