2018 MARKETING PROGRAM
Thank you for your ongoing support of the fresh mushroom category.

We look forward to sharing programs to help grow your sales.
At over $1.2 billion in retail sales in 2017, the fresh mushroom category continues to grow.

In fact, the total U.S. retail dollar sales of fresh mushrooms have been increasing every year since 2014.

This equates to an increase of over $160 million in additional retail sales in just the past several years.

The Blend is Contributing to New Consumer Usage as Mushrooms Are Being Added to a Variety of Dishes

The Mushroom Council has several promotions to help support your sales of fresh mushrooms. One of the most impactful programs is The Blend.

“Every organization hopes its marketing and promotional initiatives help to increase the market; however, it is rare to see one as successful as the Mushroom Council’s The Blend project, which was rolled out a few years ago.”

Now entering its fourth year, the James Beard Foundation is challenging Retail Foodservice Chefs to develop and share a burger recipe that is prepared with a mushroom-meat-mixed patty. The Blend will provide your shoppers with a healthier option while improving taste.

Retail foodservice chefs are encouraged to participate in a movement that strives to make burgers better by blending ground meat with chopped mushrooms, creating an incredibly delicious patty that’s healthier and more sustainable.

Consumer and retail promotion of The Blend can help improve your performance throughout the retail store.*

For more information and rule of participation, go to jamesbeard.org/blendedburgerproject, ask your local mushroom supplier for more details, or visit mushroomcouncil.com.

*Mushroom Council: The Blend: Retail Case Study, 2016
The Beef Checkoff and Mushroom Council are teaming up for the 4th consecutive year in the Mushroom Veal Summer Grilling Promotion. Nearly 207,000 consumers entered the sweepstakes in the prior year making this a great opportunity to reach new customers in your store.

500,000 packages of veal with 1 million on-pack labels are distributed to major retail chains featuring the veal and mushroom burger with balsamic onions, a new Blend mushroom veal recipe. Consumers enter a sweepstakes for a chance to win $500 in free groceries plus other prizes. The promotion is supported with cooking videos available on YouTube and Instagram along with Facebook and Pinterest components. Make sure to contact your mushroom supplier for more details to see how you can participate or visit mushroomcouncil.com for more information.

The Mushroom Council conducts ongoing media relations activities to tout fresh mushrooms’ nutrition and sustainability during key times of the year, including **National Nutrition Month** (March), **Earth Month** (April) and **National Mushroom Month** (September).

**DID YOU KNOW MUSHROOMS ARE ...**

**FAT FREE, LOW CALORIE, NUTRIENT DENSE, LOW SODIUM.**

The produce aisle’s only **natural source of vitamin D**, which helps build strong bones.

*Growers can increase vitamin D levels in mushrooms to a controlled amount by exposure to ultraviolet light.*

**A SOURCE OF B VITAMINS,** including riboflavin and niacin, which help to provide energy by breaking down proteins, fats and carbohydrates.

**GENTLE ON THE PLANET:** Growing mushrooms requires less water and land relative to many other crops.

**RICH IN SELENIUM,** a mineral that helps the immune system function properly.
