INSIDER

Track, analyze, and report on several thousand LTOs each year. Each month, INSIDER captures new items, returning items, LTOs, and even test market items. Chain websites, social media outlets, trade publications, and email promotions are monitored to capture every item release by top chains and more!

Coverage

Chains & Retailers Tracked

- US Chain Restaurants (n=263)
- C-Stores (28)
- Grocery Deli (n=41)
- Canadian Chains (n=57)
- Meal Kits (n=31)

Capabilities

- Search over 170,000 item releases with full descriptions and pricing
- Visualize it with pictures of thousands of new items and LTOs each year
- Customize monthly alerts for the chains and food categories you care about
- Analyze major chains and menu categories with instant presentations

SCORES **METRICS**

Each month, SCORES tests every new menu item and LTO from major chains with consumers. Hundreds of items from all sections of the menu are tested for six key metrics:

- PURCHASE INTENT- would you order this item?
- BRANDED PURCHASE INTENT- would you order it at this place?
- UNIQUENESS is it new and different?
- FREQUENCY- how often would you have it?
- DRAW- would you go there just for this item?
- VALUE- Is it a good value at this price?
- DINING PREFERENCE- dine in, pick up, or delivery?

SCORES provides you a platform to test new concepts before they are launched to gauge

consumer appeal/interest. The concepts are housed within a concept locker, which can only be

accessed by your organization.
